Please complete the information below.

- Yes, I have an inhabitable dwelling on my property.*
- No, I do not have a dock assigned to that property.*
- Yes, I am a CBHA member for the current year in good standing.*

Check the size of dock space that you are interested in. (You can select multiple):

Select all that apply	Tiers	Size	Current Pricing
	A	Water space Greater than 10'	\$20,000
	B	Water space Greater than 7' and less than 10'	\$15,000
	C	Water space less than 7'	\$10,000
	D	Water space with Special Considerations	\$TBD

I understand that if a dock assignment becomes available and is offered to me, I may refuse the dock/dock space at which time I would maintain my position on the Wait List until another dock space is made available. If I decide to accept the rights to the dock space, I will accept the dock and dock space AS IS/WHERE IS and will pay CBHA the amount listed above (or whatever price is determined with special considerations).
